

Mission Care Package

Our troops make sacrifices to protect our freedom and security. Some are far away from home. Unfortunately, they do not have the luxuries and conveniences that most of us have access to on a daily basis. Our Golden Rule team is very thankful for their services and we would like to show our support. Our mission is to gather supplies that are needed and send care packages to our troops overseas, to help make their lives a little easier. Help us show our troops love from home, by donating needed items, and we will provide packaging and ship to our troops!

Hygiene:

- Lotion
- Razors
- Shampoo
